

MESA DE CENTRO EM MDF COM PÉS DE GARRAFAS

DICA:

- Ao executar a impressão do arquivo PDF, certifique-se que a "Escala da página" esteja selecionada a opção "Nenhum" (conforme imagem abaixo) para que seu arquivo não sofra modificações na escala real.
- Para conferir a medida do desenho utilize a régua que será impressa junto com o modelo. A régua está em escala real e milimetrada, que servirá de guia para a montagem das partes.
